Re: 2017 Job's Daughters Scholarship Information

Please read this letter at your next two Bethel meetings and make certain that your college-bound student members receive this information.

Dear Daughters,

The Grand Guardian Council's Educational Trustee Board will award a number of college scholarships for the upcoming school year at the 2017 Grand Session. The number will depend on the monetary contributions received from Bethels from their Educational-Promotional projects. Bethel donations, memorials, and other contributions are needed to fund this important project. Please consider the Educational Fund for any special donations. These accumulated funds enable the Educational Trustee Board to award college scholarships to Michigan Job's Daughters.

"Girls eligible to receive a college scholarship must be high school graduates, under the age of 25 and unmarried at the time of the issuance of the scholarship" (Michigan Manual, Article IV, Section 4B). Daughters **must be** in good standing.

The Educational Trustee Board has enclosed the scholarship application, the Council Recommendation Form and specific instructions for completing the application. These may be reproduced and distributed to all eligible daughters. Please note: All applicants need only one Council Recommendation Form in their file with the Educational Trustee Board. Those daughters who have a Council Recommendation Form on file from a previous year need not supply a new form.

The specific directions for daughters to complete the application process are to be followed. Note that there are two (2) deadlines to meet. *Failure to meet either of these deadlines will automatically disqualify the daughters from scholarship consideration.* Scholarships will be awarded at Grand Session. Recipients not present will be notified by mail of their award.

Bethel Councils must also adhere to the deadlines. Please don't disqualify a daughter by being late.

We look forward to your participation.

Job's love,
